# MERIDIAN MONITOR

MARKET NEWS AND INDUSTRY INFORMATION FOR MERIDIAN'S VALUED CUSTOMERS

## In a nutshell...

- Almond market picking up

## Almond Update

Market seems a little active these days with interest for not only new crop but current; especially July shipments. Prices on both new crop and current crop BV std seem level at USD \$1.65/lb while new crop Car/Mon, CAL and NP still trying to find a median between 2009 crop and 2010 crop. Offers for new crop Nonpareil 23/25 ranging from USD \$2.35-2.45/lb. More packers willing to participate in new crop business versus earlier this month. Both sellers and buyers looking forward to upcoming objective estimate to be announced July 8th.
